

SAN DIEGO FLEXIBLE HOUSING POOL

MAY '23 REPORT

Take a deep dive into May with Brilliant Corner's San Diego Team!

DESCRIPTION

Our Monthly Funder Report is an opportunity for Brilliant Corner's San Diego Team to highlight their outreach and engagement housing coordination and retention efforts with the San Diego Flexible Housing Pool; utilizing both quantitative metrics and qualitative narratives.

HOW TO READ

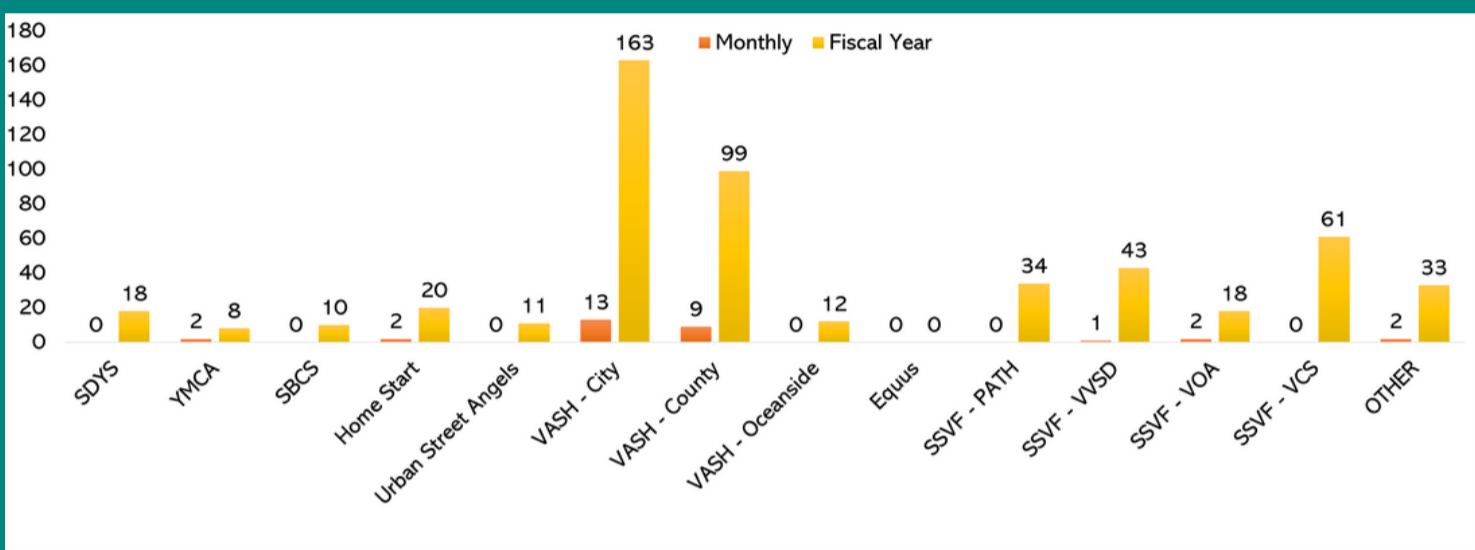

Referrals – Applications submitted AND approved from our partnering referral agencies. These numbers reflect active/approved referrals for the current month and year-to-date for the current fiscal year.

Placements – Successful client move-ins. These numbers reflect participants that have maintained their permanent housing within our program during this current month and fiscal year.

Unit Type and Unit Area – Graphs that showcase the type of unit secured and region based on zip code.

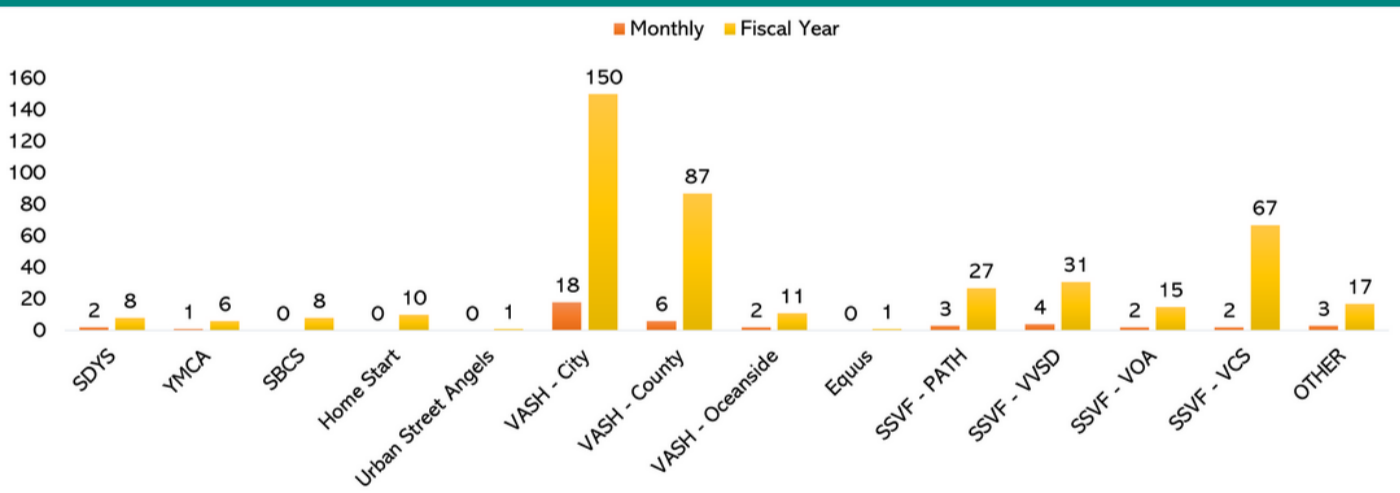

Since Inception: Active Units Acquired and Move-Ins – Graphs that showcase the total number of active clients moved-in within the SDFHP program and the total number of active units acquired since the program's inception.
